## About 'DREAMBUS.IN'

I am an experienced web designer and developer, passionate about businesses and helping clients find best possible solutions to reach their goals. As a web designer, I have built E-Commerce websites, business websites, landing pages and blogs.

After ten years as a software developer, I am now working as a freelancer. Small business operations are of particular interest and I relish the chance to work with budding entrepreneurs and help them to fulfil their dreams.

My Skill Set: HTML5, CSS3, Javascript, Angular, C, C++, python, Wordpress, wix editorx, webflow

My Projects:

- Built a lifestyle brand website with e-commerce functionality, event management and community forum.
- Build a business website for a food brand with food menu options to call for order. Phase 2 soon to start with e-commerce functionality.
- Developed a web application for airport management operations.

## About 'Glam Up by Divyaa'

I have started my makeup artists freelancing work from Aug 2022

I have learnt this art of beautifying women from renowned artist Bina Punjani. I took this profession as I am an artist by heart. I like to dress people to make them stand out in crowd. I personally connect with my clients to understand their needs and suggest them what will be best for them. Depending on the occasion, their face cut, skin or hair type.

**At Glam Up by Divyaa, HD makeup is our forte.**

- Party Makeup
- Bridal Makeups
- Hair Styles
- Models Makeup For Fashion Shows.
- Makeup For Photo Shoots
